

HARROGATE BUSINESS WATCH - SECURITY ALERT

The following information from North Yorkshire Police may be relevant to your business in the Harrogate area.

“CATCH SECURITY”

The Police have received numerous calls about a security company called “Catch Security”. They are either telephoning to make appointments or just cold calling.

This company and its behaviour had been brought to the Police’s attention when they previously worked in the area.

They are not supported by the Council, Police or Fire Service and they are not approved under NACOSS or SSAIB.

When looking for security products look for the “Sold Secure” logo.

If you want an alarm installed look for NACOSS and SSAIB.

You then have some peace of mind that the goods or the company are to a recognised specification or standard.

If “Catch Security” call on you the Trading Standards would like to know what claims they make.

Please call Trading Standards on 01609 780780.

NOTE: This is a new service for Chamber members. Any feedback would be welcome.
